STORY OF THE MONTH

DANCE PARTY, anyone?

Meet Issy.

Issy is a second grader at Orcas Island Elementary School who has been attending the Funhouse regularly since she graduated kindergarten.

The Funhouse is the place that brings **all** the kids of Orcas together.

It provides a platform for lasting relationships and encourages bonds across a broad spectrum of background, income, and culture.

Issy has made lots of new friends at the Funhouse, including kids from different grades and schools. Her favorite things to do at the Funhouse include ***“having dance parties, drama club, and playing games with friends.”*** She also loves getting to play in the sprinkler on hot days.
